lunch will be served on board around noon, or a little later, and then it will be time for sightseeing on the [East Bank of Luxor tour](#).

This tour will take you to both the vast [Karnak temple complex](#) and the magnificent [Luxor Temple](#). Karnak was primarily a temple city, and it is estimated that it took about 2,500 years to build. A delicious 5-star dinner will be served on board in the evening, and a nightclub will be open for those who want to dance the night away. Day 2 – Luxor West Bank and Cruise to Edfu

The day begins with a rich breakfast on board, followed by a Nile cruise tour and a Luxor West Bank full-day tour you will never forget. The [Valley of the Kings](#) will be your first stop. This sprawling site has attracted archaeologists from around the world and has led to the discovery of more than 70 ancient royal tombs, including that of [King Tutankhamun](#).

Tutankhamun's mummy is still in the tomb today. The tomb of King Ramses VI was also discovered here. After you visit the Valley of the Kings, you will head to the magnificent [Temple of Queen Hatshepsut](#). This is a massive rock-cut temple that attracts tens of thousands of visitors every year, and it is an ancient site that every visitor should try to see during their stay. The tremendous [Colossi of Memnon](#) is the last visit in your Egypt Day Tours. After spending some time exploring this site, everyone will board the Sonesta Moon Goddess and head to Edfu, with a delicious lunch served along the way. Later in the day, afternoon tea will be served, and around 6:00 p.m., a nice "Captain's Welcome" cocktail will be served. The dining room will be opened shortly after, and the crew will begin serving dinner. At night, there will be a disco on board for those who want to dance, but if live music isn't your thing, you can just relax instead. We'll spend the night on the water in Edfu.
