Quad Biking Tour in Hurghada

In the morning, after breakfast at your hotel in Hurghada or at any time during the day, our representative will be waiting for you to take you for a wonderful ride to the quad biking center in a comfortable, air-conditioned vehicle that lasts approximately 30 minutes. Once there, your instructor will fit you with safety helmets and instruct you on how to drive the quad safely.

First, you will ride your quad for approximately 20 minutes over the flat desert sands to get used to the to the bike and gain confidence. You will ride in a group at all times, and your guide will be close by in case you need help.

You will then ride into a valley between mountains. In total, the group will spend approximately 3 hours making the most of the dunes and hills of the area.

We will stop at a Bedouin camp, where you will have the opportunity to see how the Bedouins live and then relax under a traditional tent and have a cup of tea. You can also enjoy other refreshments for an additional cost.

After returning to the quad biking center, you will be met by our representative to get ready to return to your hotel in Hurghada.
