While walking among these magnificent sites, we will learn about the history of the pharaohs and the construction secrets.

You will have an incredible time exploring the Step Pyramid of King Djoser and the Tombs of the Nobles in Saqqara after visiting the Giza Pyramids. You will also have the opportunity to enter the Pyramid of King Chepran in the Giza Pyramids and the Serapeum here.

Following an exhilarating tour to the pyramids of Giza , desert sands and Saqqara, we will transition to a more laid-back setting on a boat as it glides down the Nile River, which has been Egypt's lifeline since ancient times. ## Half-Day Tour to Giza Pyramids, Saqqara, and Boat Trip

At the moment of your flight's landing, a professional tour guide from Cairo Top Tours will meet you at the Cairo International Airport. Together with this guide, you will drive a private vehicle that is all yours for about forty-five minutes till we arrive in Giza.

Beginning with a tour of the Imhotep Museum and the Saqqara area, you will see the Step Pyramid Group of King Djoser, as well as the pyramids of Teti, Onas Kagemti Takawasse, Ankh-Mahor, Nefer, Seshem Ptah, Ptahneb, Ti, Edut, Onas Ankh, and Invert.

After that, we'll head to the Giza Necropolis, which is home to pyramids that date back to the Old Kingdom. After that, we'll go see the Great Sphinx and investigate the Valley Temple, which King Chephren built to preserve his remains. A 30-minute camel riding tour of the Giza Plateau is an optional activity that may be arranged for an extra 200 Egyptian pounds. After that, you will be taken to the Giza Scenic Plateau for a photo session.

According to an old Egyptian belief, the sun is eaten by the goddess Nut at sunset. A felucca sail down the Nile is the perfect way to unwind. When you have had your fill of the monuments, the history, and the religion, you will ultimately return to your lodging.
