Luxor

As the sun rises on the banks of the Nile in Luxor, we invite you to embark on an enchanting journey to Banana Island, a natural jewel nestled in the waters of the eternal river. We will begin our adventure by embarking on a traditional felucca, where we will cruise leisurely down the river, enjoying the cool morning breeze and the beautiful scenery.

With Cairo Top Tours you will enjoy a special visit to Banana Island, “The Banana Island” on the banks of the Nile River in the western land, a distinctive island created by the enchanting nature with small interventions by the hands of the Aqsaris to represent a realm of magic, calmness and mental clarity for the Egyptian and foreign tourists who flock there in different seasons of the year to enjoy the picturesque scenes, the greenery and magic of mixing the Nile River with large plane trees, which are the most important enchanting places to welcome tourists to rest inside, spend quality time, take stunning natural photos and eat fruity foods and various beverages in the middle of nature.

The area of the “Banana Island” is about five acres and teems with wonderful banana trees in addition to the palm trees that characterize the agricultural nature of Luxor Governorate, and there are also trees for figs, guava and other fruits that are offered to tourists and visitors from Luxor, and the center of the island is furnished with chairs and sofas made of tree branches to sit on, and there is also an old “watering can” to add the charm of agricultural nature and take pictures in it by visitors.
