## Itinerary

## Day Trip to Memphis and Dahshor from Sharm by Flight

In the morning, after having your delicious breakfast at your hotel in Sharm el-Sheik, one of our representatives will be waiting for you to take you in a private air-conditioned car to Sharm el-Sheik airport for your flight to Cairo. Once you arrive at Cairo airport, you will meet one of our expert guides who will accompany you on your tour.

At first we will explore Memphis, which is considered one of the greatest capitals of ancient Egypt. It was associated with the unification of the Nile Delta and Upper Egypt during the reign of King Mina and remained the capital of Egypt during the Old Kingdom and the administrative and military capital during the New Kingdom. Manif had several names during its nearly four-thousand-year history. Its ancient Egyptian name was Enb-Hajj (translated as 'White Walls').

Then, we will continue our tour together and explore Dahshur. On this hill were built the pyramids of the kings of the Old and Middle Kingdoms, the most famous of which are the two pyramids of the first king of the Fourth Dynasty, King Sneferu: a semi-fractured pyramid and another complete pyramid one kilometer north of the first pyramid, called the Red Pyramid. There are also pyramids dating to the Middle Kingdom, such as the pyramid of King Amenemhat II, which is in poor condition; the pyramid of King Senwosret III, surrounded by the tombs of the princesses Sat Hathor and Merit; and the Black Pyramid of King Amenemhat III, which is in a poor state of preservation and is located near the southern pyramid of King Sneferu.

Your excursion may include a boat ride on the Nile, where you can enjoy the beauty and natural beauty of the Nile River.

After finishing your tour, we will take you to Cairo airport for your flight back to Sharm El Sheikh.
