

Ras Mohamed Tour by Boat from Sharm El Sheikh

Price Starting From : \$50

Day Trip
Egypt
Sharm El Sheikh

Savor an enchanted journey to the Mahmya of Ras Mohamed, one of Egypt's most well-known Mahmyas. Ras Mohammed is an Egyptian nature reserve located in the southern Sinai, 12 kilometers from Sharm el-Sheikh. It is bordered on the east by the Gulf of Aqaba and on the west by the Gulf of Suez. The nature reserve was established in 1983. Diving and swimming are popular activities in Ras Mohammed.

Begin your adventure with a boat excursion to Ras Mohammed, known for its vibrant coral reefs and rich marine life. Enjoy snorkeling in the crystal-clear waters to discover colorful fish or dive deeper to encounter larger sea creatures. Then continue to the Isle of Wight, a pristine sandy beach where you can relax on the soft sand and enjoy more snorkeling.

Also during our excursion, you will enjoy every moment of your vacation. The Ras Mohammed area is characterized by coral beaches located in the depths of the ocean water, colorful fish, endangered sea turtles, and rare aquatic life. Coral reefs surround Ras Mohammed from all sides of the sea and form a unique formation, as this formation has a great impact on shaping the natural life in the region.

Ras Mohamed Trip by Boat in Sharm El Sheikh

Experience an unforgettable adventure with Cairo Top Tours through one of our breathtaking excursions to the Mahmya of Ras Mohamed from your hotel in Sharm El Sheikh in the morning at the time agreed with your tour operator who will be waiting for you at your hotel to accompany you in a modern air-conditioned car.

Ras Mohammed, which is located 12 kilometers from Sharm El Sheikh, is the largest Egyptian nature reserve in South Sinai, covering an area of roughly 850 square kilometers. Given that it is situated at the meeting point of the Gulfs of Suez and Aqaba, it is bounded to the east by the former and to the west by the latter.

Begin your journey by taking a boat to Ras Mohammed, which is well-known for its rich marine life and colorful coral reefs. Enjoy diving deeper to see larger sea animals or snorkeling in the pristine seas to find colorful fish. The Isle of Wight is a spotless sandy beach where you can unwind on the fine sand and go snorkeling again.

After an unforgettable excursion in the mahmya of Ras Mohamed, you will have a delicious lunch aboard your boat, enjoying the beauty of the surrounding blue sea.

The name Ras Mohammed Reserve has multiple meanings. According to some, the Ras Mohammed Reserve got its name because it is depicted on a map as the head of a triangle with the South Sinai mountain ranges at its base. Others claim that its terrestrial and aquatic features resemble the head of a man with a long beard.

After your excision, we will accompany you to your hotel in Sharm El Shiekh.
