The Secrets of Ancient Egypt

This will be your most amazing experience under the sun-one day from Sokhna Port to pharaohs and pyramids. This excursion allows cruise passengers to experience the effects left by ancient Egyptian civilization on present-day life all in one day. You will visit some of the most famous, memorable, and historic places in Egypt with expert guide services, transportation under comfortable conditions, and a well-distributed schedule.

Journey To The Pyramids Of Giza

Last wonder of the ancient world is the last monument of the ever famed Pyramids of Giza — the big ticket opened by the way into the majestic Great Pyramid of Khufu, back over the Pyramid of Khafre, and stand-up tight in front of the mysterious Sphinx.

Visit the Ancient Capital: Memphis

Then go back again with Memphis: the ancient first capital of Egypt. In a time where Memphis was a very lively center of power and culture, it is now a quiet open-air museum, hosting some of amassing statues and artifacts. Witness before you the thrilling big statue of Ramses II and the other remnants of a metropolis which once ruled the ancient world.

Go to the Step Pyramid

Now continuing to Saqqara, the place that hosts the Step Pyramid of the King Djoser. This was the first huge building ever cut from stone, and this construction design revolutionized ancestors for all pyramid buildings into our time. Walk through this complex and read with new rituals and innovation defining Egypt's old kingdom.

[Itinerary](#)

Excursion to the Pyramids, Memphis, and Saqqara from Sokhna Port

An air-conditioned vehicle will take you towards Cairo while leaving Sokhna Port for your exciting in one whole day. Certainly, one of the centers of Egypt's ancient civilization, traversing geography between some of the world's most famous and stately sites.

The first stop, the Pyramids of Giza. Feats of engineering left from ancient times, they are the last of the original Seven Wonders of the Ancient World. You'll soon meet the towering presence of the Great Pyramid of Khufu as you arrive. Your Egyptologist will relate exciting information about the history and construction of these intimidating structures, which have remained for about 4,500 years. Walk within the complex, visit the Sphinx, and take memorable photos of these world-class sites.

Then there is Memphis, the ancient capital of Egypt. Once bustling with activity, a center of culture and politics today, the beautiful city is no more now, but an open museum where it all history and glory of ancient Egypt is alive. The giant statues of Ramses the Great once in his city-father upon will examine what remains of some temple and the statues themselves-natural artifacts speaking of the grandeur of Memphis. Your guide will expound on the ancient city and its link to the early history of Egypt.

After Memphis, you will be transferred to Saqqara to visit the Step Pyramid of King Djoser. The Complex here is one of the oldest of its kind in Egypt, representing great advancement in architectural design. The Step

Pyramid is believed to be the first pyramid ever built, curled around 2670 BC, marking an important milestone in the history of pyramid-building. Walk the nearby complex, visit burial sites, tombs, and other structures that were greatly important in the history of Ancient Egypt.

You will be taken back to Sokhna Port to wave goodbye after having such a fun-filled day blended with history.

A day trip adventure in Egypt is perfectly balanced between adventure and comfort to experience the richest past of Egypt in a day.
