Day 1 : From Cairo to the White Desert

Your tour leader will meet you at your hotel lobby or your chosen pick-up location to transfer you to meet your tour guide, who will accompany you along your tour, explaining the gems and sharing the tour with you. Enjoy seeing Egypt while you transfer to the Bahariya Oasis, which is known for its beautiful nature of olive trees and date palms surrounded by the Egyptian desert.

Your first destination in the White Desert and Bahariya Oasis is the valley of Golden Mummies, which was discovered by strange chance by the fall of a donkey in a hall; then its owner found golden faces under the earth looking at him. The owner was actually one of the workers of the temple of Alexander the Great. The temple represents the acceptance and the adaptation of him to Egyptian life and beliefs.

It is not only enchanting museums, but you will also see the tombs of nobles who were ruling the oasis during the ancient ages. Our next place will be the Ain Muftella temple, which is near the old city of El Qasr and the Spring of Muftella. The temple played a significant role in the religious life of the citizens of the Oasis.

Enjoy a different lunch meal in the oasis made from organic and natural ingredients to traditional local recipes. Next, you will see the black mountain that is colored with black rocks and sand of volcanic rocks. During this exciting adventure, you will be transferred by jeep. Once you arrive there, you will have the opportunity to see the incredible sunset view of the oasis. In addition to seeing the English house that was built by the English soldiers to monitor the surrounding routes of the oasis and the desert. Finally, you will be transferred back.
