Immerse yourself in Egypt's ancient marvels through our airport transport service offering a complete Cairo day tour. Your journey begins with a fascinating trip to the Giza Pyramids where you can behold the magnificence of the Great Pyramid of Khufu, the Pyramid of Khafre, and the Pyramid of Menkaure. Walk in admiration before the Great Sphinx while you understand its mysteries, making it a guardian with a pharaoh's facial features and a lion's body. Expert tour guide interpretation of these historical architectural masterpieces combined with their construction knowledge allows visitors to understand fundamentally the wealth of Egyptian heritage.

Visit Memphis which served as the first capital of ancient Egypt to observe the remains of its prosperous pharaonic capital which used to be a dominant power center. View the massive statue of Ramses II which represents the enormous power of ancient Egypt. Explore the outdoor museum environment filled with exhibits featuring Egyptian relics including ancient statues that transport visitors to the golden era of this formerly great city. A guide will discuss how Memphis contributed to the cultural development of Egypt while advancing its political landscape.

After touring the sites you must see Sakkara to witness the Step Pyramid of Djoser which stands as the earliest stone building of its scale in history. No other structure in Egypt's history has such importance as this significant monument since the legendary Imhotep designed it to be Egypt's first pyramid construction. At the necropolis, visitors can find ancient tombs with intricate carvings and hieroglyphics that display Old Kingdom beliefs and traditions. The airport transfer service from the site reinforces a smooth departure after your rewarding exploration of Egypt's significant historic landmarks.

Full-Day Tour to Giza Pyramids Memphis and Sakkara

An expert tour guide will welcome you at both Cairo International Airport and hotel locations with air-conditioned vehicle transportation. After your vehicle departure receive a short overview of the schedule for visiting Egypt's principal landmarks.

You will reach the Giza Plateau where you can observe the legendary Pyramids of Khufu, Khafre, and Menkaure. Study their astonishing historical elements alongside their exceptional structure and secretive aspects. You can take extraordinary photographs with the Great Sphinx a spectacular limestone guardian of the pyramids while facing it. Visitors have the choice to enter pyramid structures or experience camel rides at additional costs in this location.

You should visit Memphis which became Egypt's first capital to see the external museum with the imposing Ramses II statue under the Alabaster Sphinx. Learn about the city's status as an ancient political and cultural center through a historical perspective.

A traditional Egyptian lunch awaits you at a local restaurant where you can try authentic local cuisine while enjoying the regional dishes. Obtain a meal with us.

At Sakkara, you can find the world's oldest pyramid which stands for the "Step Pyramid of Djoser". The acclaimed architect Imhotep created this revolutionary architectural masterpiece through his design. Trace historical tombs to uncover their well-conserved engravings as well as hieroglyphics that reveal insights about Old Kingdom religious customs.

After enjoying the scenic drive you have the opportunity to relax in your vehicle until reaching back to Cairo. During the return trip to Cairo shift your attention toward enjoying beautiful views and thinking about all the exciting places you have seen during the day.
