The Maadi Felucca Ride and Giza Pyramids Tour represent a wonderful combination of calm, sedate enjoyment and a short glimpse into Egypt's incredible history and natural beauty. This journey begins with a felucca ride in the picturesque district of Maadi on the Nile River. Glistening and gentle, with breezes kissing your face, you glide along the waters, losing track of time in the tranquility and serenity that starkly contrast with the raging energy of the city.

After this quiet cruise down the Nile, your adventure proceeds with the visit to the Giza pyramids, another of the Seven Wonders of the Ancient World. The overwhelming presence of the Great Pyramid of Khufu, the

Pyramid of Khafre, and the Pyramid of Menkaure, with the enigmatic Sphinx standing guard over the plateau, will surely take your breath away. You may learn all sorts of interesting facts from a professional guide about how the pyramids were constructed, their significance in history, and the mysteries that surround these ancient edifices. There will be many opportunities to take fabulous pictures that complement the vast desert landscape you will journey through.

This tour is perfect for travelers looking for a unique mixture of relaxation and culture. Be it watching the sunset from a felucca or getting amazed at the architecture of the pyramids, the Maadi Felucca Ride and the Giza Pyramids Tour provide an unforgettable experience. It takes you through a time period that allows you to experience the calmness and magic of the Nile and the majesty of Egypt's most famous - and some would say infamous - landmarks.
