Cairo Full-Day Tour

An experienced tour guide picks you up from your hotel in the morning in a comfortable air-conditioned vehicle for your Cairo day tour with lunch. First stop is the world-famous Giza Plateau, where you will see the majestic Great Pyramids of Giza, the Sphinx, and the Valley Temple. While you look around at these historical wonders, your Egyptologist tour guide will lay down for you the history and mysteries around the making of these pyramids as well as the civilization that built them. Take stunning photos, and if you choose, enjoy an optional ride on a camel with the pyramids as a backdrop.

Next is the Egyptian Museum, which lies at the heart of Cairo, thereby displaying one of the most magnificent collections of ancient artifacts. Parts of it include the treasures of Tutankhamun, royal mummies, and statues through time. Then drive over to Old Cairo to visit some of the historic religious sites, including the Hanging Church, one of the oldest Coptic churches in Egypt, and promise to visit the Amr Ibn Al-As Mosque, Africa's first mosque, built in the 7th century.

This Malaysian lunch spot is located within a local Egyptian restaurant and is inviting for an afternoon. Then, from here, walk into a chaotic space known as the Khan El Khalili Bazaar, a Middle Eastern hub for souvenir shops, spices, and many handcrafted items, and stroll around. At this moment, as the day closes, your guide will take you back to your hotel, rounding off a day of historical touring.
