Banana Island Tour

Your excursion begins with a hotel pick-up in Luxor, where your private guide will escort you across the eastern bank of the Nile. You shall board a traditional felucca sailboat or a motorboat, depending on your liking, and sail across the beauty of the Nile. While you sail, feast your eyes on the spectacular sights of Luxor's lush landscape, ancient temples, and some local fauna.

Upon arrival, you find yourself on Banana Island, considered a tranquil island paradise with tropical fruit plantations. Enjoy a guided walk through the banana fields while observing how bananas are cultivated and harvested. Enjoy picking and tasting fresh bananas and other seasonal fruits straight from the trees.

Spot exotic birds and perhaps even some Nile crocodiles in designated enclosures while you take the tour. Make sure to converse with farmers and learn about their traditional farming methods. Enjoy some refreshing Egyptian tea while soaking in the tranquil beauty of the island.

Relax at a small cafe by the river on the island, while enjoying a freshly prepared Egyptian lunch featuring grilled fish, chicken, or vegetarian dishes. While relishing the exotic flavors of the local cuisine, enjoy the absolutely stunning views of the Nile.

After lunch, take some time to roam around, snap beautiful photos, or simply enjoy some time relaxing by the river bank, at your own pace. Finally, when you're ready, get back onto your boat for a leisurely cruise back to Luxor. Your guide and driver will drop you off back to your hotel, concluding a day of leisure and rejuvenation.
