Everyday

Experience the underwater world of the Red Sea marine life during a dry and enchanting Glass Boat Trip in Sharm El Sheikh. A boat equipped with a transparent glass floor provides passengers with a unique journey through coral reefs and tropical fish swimming beneath the waves. Through the glass bottom boat, your guide will guide you toward different underwater species including rayfish alongside clownfish which makes this a family-friendly learning experience.

You will observe breathtaking underwater geographic features while the boat glides along the sea coast. The Red Sea houses a diverse coral environment where the structures teem with vibrant life along with arresting color displays. The sunny day allows passengers to watch the underwater wonders of the ocean through its clear waters which offer excellent visibility. Remember to pack your camera because the underwater paradise will demand your lens no matter where you remain seated.

The Sharm El Sheikh Glass Boat Trip provides an enjoyable way to explore the Red Sea underwater beauty that suits families friends and couples. The brief yet amazing boat trip gives everyone the chance to appreciate ocean wonders without requiring any diving or snorkeling experience. Witness spectacular sea views while breathing the fresh air and building lasting memories during this memorable excursion.

Glass Boat Trip in Sharm El Seikh

Join us on an unforgettable floating journey through the Red Sea via a Glass Boat Trip when visiting Sharm El Sheikh. Your trip starts when hotel staff drives you to the departure point in an air-conditioned car before going by vehicle to the point of departure. The modern glass-bottom boat glides across the clear waters throughout a one-hour journey so you can view marine life without going into the water.

During the one-hour journey, marvel at the breathtaking coral reefs and a dazzling array of colorful fish swimming beneath you. You can explore an impressive biodiversity of marine creatures in the Red Sea which also includes the sightings of both sea turtles and playful dolphins swimming through the water. Onboard glass windows enable everyone to see the aquatic wonderland directly from their position thus creating a wonderful experience for families.

The enchanting tour through Red Sea underwater marvels will finish when the boat returns to land, and you will gain transportation to your hotel or select drop-off points throughout Sharm El Sheikh. Spend a must-see, captivating day to witness the world-class beauty of a marine ecosystem, which also provides relaxed adventure.
