Itinerary for Red Sea Scuba Diving Tour from Safaga Port

Pickup from Safaga Port & Depart for Dive Center

Your exciting Red Sea scuba diving tour starts with a pickup from Safaga Port, where you will greet your professional diving instructor. You will be driven in an air-conditioned vehicle to the local dive center where you will be briefed on the day's diving sites, safety procedures, and the use of equipment.

Once ready, you will board a fully equipped diving boat and sail away to one of the best dive sites of the Red Sea, famous for its picturesque coral reefs and diverse marine life.

First Dive - An Underwater Exploration

Upon reaching the first dive site, your PADI-certified guide will assist you in gearing up before heading down into the crystal-clear waters of the Red Sea. Regardless of whether you are an advanced or beginners diver, the dive will be made to suit your skill level.

Encounter breathtaking coral formations harboring hundreds of species of colorful fish.

Swim alongside sea turtles, lionfish, and rays while exploring the pristine reef ecosystem.

Enjoy great underwater visibility for you to relish the gorgeous marine biodiversity.

For those who prefer snorkeling, this site offers shallow coral reefs that will enable you to observe the marine life from the surface.

Relax & Enjoy a Delicious Lunch Onboard

After the first dive, you will go back to the boat to relax in the serene atmosphere of the Red Sea. Lunch will be freshly prepared on board and offer a variety of local and international dishes. While enjoying your meal, take in the spectacular views of the open sea and the surrounding coastline.

Second Dive - Discovering a New Dive Site

After lunch, you plough on, arriving at another dive site that now promises a new and adventurous underwater experience. This second dive may include:

Drift diving across a spectacular coral reef with gentle currents taking you along.

The exploration of a sunken wreck, which is home to abundant marine life.

A deep reef dive where you may witness larger fish species: barracudas, reef sharks, and giant groupers.

Return—to Safaga Port

After the dives are over, the boat now heads back to Safaga Port. Relax under the sun on deck feeling the gentle sea wind. You will be transferred back to your cruise ship once you arrive at the port, marking the end of your unforgettable Red Sea scuba diving experience.
