[Itinerary](#)

Day 1: Exciting Trip to Bahariya Oasis

Early in the morning, you will meet one of the professional tour guides from the Cairo Top Tours team, who will take you on an exciting tour of the amazing Bahariya Oasis. Bahariya Oasis is a vibrant and prosperous spot in the heart of one of the most harsh areas on earth.

You will enjoy the most delicious Bedouin lunch you can have in your life. Then you will visit the Black Desert, which is one of the most beautiful desert terrains in the world, formed as a result of volcanic activity in the Jurassic era. Then you will pass through the beautiful Wadi Al-Haiz to reach Crystal Mountain.

You will see the amazing Crystal Mountain, which is one of the most famous natural wonders in the world. This mountain is formed of the Maro Metal "Quartz".

You will visit the Valley of Agabat, which means the Valley of Obstacles due to the spread of rock formations that hinder movement in it and force explorers to move slowly and with difficulty in it due to the strangeness of its formation, as it is a mixture of red rocks and white and yellow sand, which makes visitors feel as if they are on the planet Mars.

At the end of the day, you will enjoy a fresh and delicious dinner in the middle of the desert, and you will camp there to enjoy the beauty of the stars at night.

Meals: Lunch, Dinner

Day 2: Enjoyable tour to explore the White Desert

After a delicious breakfast early in the morning, you will enjoy exploring the White Desert, which is one of the most beautiful deserts not only in Egypt but in the world. The White Desert includes the most bizarre terrain in the entire Western Desert region, such as white limestone formations that take the shape of either mushrooms or sea waves, forming one of the wonders of nature, which amazes even the most experienced safari travelers in the world.

These chalk-like rocky outcrops were formed as a result of tectonic uplift following an ice age that the Earth witnessed nearly 30 million years ago. These formations took their current shape due to countless sandstorms that the region has witnessed since then.

Then you will pass by the Bahariya Oasis to enjoy seeing palm trees, fruit trees, and spacious gardens before returning to Cairo to spend the night at your hotel to get some rest after the best safari tour in the world.

Meal: Breakfast
