Price Starting From : \$340

Day Tour
Egypt
Cairo, Aswan

The Coptic Churches trip of Cairo is a fascinating trip that leads tourists around Cairo, Egypt's famous Coptic Christian neighborhood. The Hanging Church, Abu Serga Church, St. George's Church, the Church of the Virgin Mary, the Ben Ezra Synagogue, and the Coptic Museum are among the significant locations that will be seen during this tour.

The Jewish Synagogue of Ben Ezra, the ruins of the ancient fortification known as Babylon, the well-known Hanging Church, and a unique Coptic Museum devoted to this almost extinct civilization are just a few of the many Christian structures that are packed into the little space of Coptic Cairo. Even if you are just staying in Cairo for two days or less, I still suggest going to this neighborhood.

Sound and Light Shows It is no longer the daytime alone that allows us to see the monuments, as light has enabled us to turn the night into another day, so these monuments wear dresses of wonderful colors of different lights, and the sounds of songs and music emanate from them to tell us stories of history and the rule of the ancients.

Information about Sound and Light Shows in the Pyramids At the beginning of the ascending path to the Sphinx, the Sound and Light Show events begin In the enormous hall that faces the Valley Temple of King Khafre, we spend around an hour listening to and witnessing the majesty and grandeur of the ancient world, as well as the pyramids and the Sphinx in a never-before-seen form.
