Day tour to Dahab & Blue Hole Snorkeling from Cairo

Since this tour will set off early in the morning, you will be driven from Cairo to Dahab using one of our modern vehicles. Dahab is a town of South Sinai that makes investors and tourists from all over the world.

With its unique location and natural wealth, Dahab has combined the wonders of nature and an incredible diversity of its own, putting this town in one of the most unmatched travel destinations of the world.

From the diving perspective, Dahab comes as one of the highly phenomenal tourist attractions; it is extremely famous for day trips from neighboring Sharm el-Sheik.

Located on the shore of the Gulf of Aqaba in the South Sinai Governorate, Dahab is forever a breathtaking place. Several roads connect it to the governorates of the Valley and Delta. It has natural tourist attractions that attract thousands of tourists every year, whether foreign, Egyptian, or Arab. The city is distinguished by many features.

You will be heading to the Blue Hole Beach. A meteor shower from the sky was the cause of the formation of a deep blue hole drawn by nature in the heart of the Red Sea, creating the most beautiful natural landscape you will ever see. The Blue Hole, located in Dahab, has become a destination for local and foreign tourists who regularly visit the site for scuba diving. The Blue Hole is no longer only for foreign diving enthusiasts, but now, the Blue Hole attracts Egyptians too. All they need to do is don a diving jacket to explore the coral reefs and dive into the natural wonders.

The entire site is a wonder in itself, with the light formations and marine flora and fauna creating unforgettable memories. Savor this spectacular vista.
