## Itinerary

### Tour to NMEC and Felucca Ride

When the scheduled time comes, our driver and our representative will be waiting for you and take you to the National Museum of Civilization.

Admire the collection in the museum, which includes several cutting-edge storage facilities. The first museum of its sort in Egypt and the Arab world is the National Museum of Egyptian Civilization. Visitors may take a historical tour and discover more about the many Egyptian civilizations at this integrated worldwide cultural complex.

The museum also has a research, education, and research hall, large temporary exhibition rooms, and an exhibition showing the development of New Cairo. The museum coordinates lectures, conferences, film presentations, and other cultural activities for local and foreign audiences. It also provides a platform for informal dialogue and the sharing of ideas and experiences. It also includes a group of service, commercial, and recreational buildings, in addition to a research center for ancient materials sciences and restoration.

At the end, after a full visit to the museum, you will be transferred to the Nile to ride a felucca and enjoy a tour of the Nile.
