Hurghada shopping city trips

Enjoy a shopping trip in Hurghada with Cairo Top Tours. Considering the number of visitors who arrive every year, there are many shops and stores to shop at, There are two main types of shopping: The first is shopping at retail centers like Esplanade Mall and Senzo Mall. The second type is shopping in local shops in Hurghada. There are many local shops in the Souk El Dahar area, but visitors can find places to shop all over the city. Jewelry carved from silver, coral, and other valuable stones is available for purchase by visitors. You may explore a variety of perfume stores as well.

Hurghada is famous for its beautiful turquoise beaches with white sand. In addition to the places to go out in Hurghada that abound in that city, there is a complete entertainment program to spend your happiest times through the tourist attractions, the ancient buildings at the port, the restaurants of the tourist promenade, and also the islands affiliated with Hurghada.
