Adventure Tours from Sharm el Sheikh

Start by getting inside the banana boat and clinging to it! The banana boat will spin, splash, and flip violently on the waves when pulled by a fast speedboat. Savor Egyptian cuisine as soon as the first light of day breaks, a strong aroma wafts through the Egyptian streets. That of taamiya, also called falafel, are small fried croquettes prepared with beans, herbs, spices, and sesame seeds.

For many reasons, you should visit the desert... Because there is nothing and everything at the same time! A magic, a silence and landscapes mainly sculpted by nature, which I will always have difficulty describing, so much variety is the law. Because the desert allows you to recharge your batteries physically and psychologically, to completely disconnect from your daily life. Because during a trip to the desert, you discover an extraordinary environment and culture, you listen to the silence, you sleep under the stars, and you admire the most beautiful starry skies of your life.

Day trips in Sharm El Sheikh

Since our business constantly aims to please its clients, we have given you a private, air-conditioned car to take you to the destinations listed on our schedule. We will begin with a parasailing tour.

In the extreme water activity of parasailing, a person is pulled on a parachute that is fastened to a speedboat. The individual clings to a rope that permits them to fly freely during the journey. You can feel amazing feelings and take in the area's splendor while paragliding.

You may have a memorable time parasailing by yourself or with a partner. You will be able to enjoy the beauty of the Red Sea and the beaches while in the air, in addition to getting a whole different perspective on the city. Keep in mind that Sharm El Sheikh offers a large range of itineraries, so you may choose the one that best suits your requirements.

Then we're heading to what could be the most enjoyable experience you'll ever have on the Red Sea! Hold on tight as you leap on the waves, ride a banana boat with the wind in your hair, and zoom over the wide ocean! For the whole family, this vacation is a lot of fun and a terrific deal.

After that, you'll be transported to a fine dining establishment for a meal prepared using Egyptian recipes. After that you will be transferred to the safari on quad bikes. Savor the enchantment, tranquility, and scenery mostly shaped by nature—something I find hard to explain because of the abundance of variations. You may entirely detach yourself from your everyday life and revitalize your body and mind in the desert.
