The Dolphin Show in Sharm El Sheikh

Our company provides a private and modern car to transport you from your hotel to the Dolphin Showroom. The show at Dolphina Park begins at 3:00 PM and ends around 4:00 PM. Gates open at the designated time to ensure you get the best possible view. Afterwards, the dolphins and their trainers begin their exit, accompanied by music. The dolphins then jump onto a platform next to the spectator stands and pose for everyone to take pictures with for their enjoyment.

Segments during the show

Then comes the dolphins' various performances, including hoops and ball jumps, high jumps through suspended rings, spinning hoops, and dancing with their trainers. During the show, the dolphins are rewarded with small pieces of fish. There's also a very exciting segment where you see a dolphin paint on a white canvas using a brush and multi-colored paints, which are then sold.

During the show, a young spectator is chosen to ride on a small boat accompanied by the dolphins. There are also other surprises with various short segments. The performance itself is very interesting and showcases the amazing artistic abilities of these cute and amazing animals, providing a lot of fun and positive feedback.

Also, a marine cat segment has been added to the Sharm El Sheikh Dolphin Show to further delight the audience. Finally, upon exiting the stage, there's a shop for souvenirs related to dolphin shapes and photos in the administrative building, if desired. Finally, our company will transfer you to your hotel.
