Your guide, along with the driver, will journey to the bus station to get on an air-conditioned bus, taking you toward the oasis through a four-hour trip across beautiful terrain.

Your meeting with the local Bedouin guide brings you to multiple interesting historical sites. Indulge in both the royal burials of the Valley of the Golden Mummies and the ancient ruling tombs of the Nobles upon your visit to this region. The site of Ain El-Meffetla contains four chapels from the 26th dynasty that were discovered in 1939, while the visitors can explore the temple remains built by Alexander the Great on his journey through Siwa Oasis.

Make time to experience a typical Bedouin lunch at a home while touring toward the White Desert. The El Haize Valley serves as a stopping point before continuing to the area, which features ancient Roman fortress ruins. Observing the shiny quartz crystals at Crystal Mountain alongside witnessing the natural beauty of Agabat Valley should be part of your itinerary.
