Day Trip to Saqqara , Felucca Sunset Cairo, and BBQ Lunch Buffet

Welcome to Egypt, At first our tour guide will meet you at your destination in Cairo or Giza to enjoy one of our amazing day trips to Saqqara to visit the complex of king Zoser which was built during the old kingdom, the 3rd dynasty by his smart vizir and also his architect Imhotep, the legend of the old kingdom who designed the first step pyramid in the history. After you visit the pyramid and explore the funerary complex of the king where he celebrated his Heb -Sed Festival after 30 years of his reign.

Then, we will go to visit another important pyramid in Saqqara, the pyramid of king Unas from the fifth dynasty, which was inscribed by the famous Pyramid text to facilitate the resurrection of the king in the afterlife. Don't miss to ask the tour guide about the history of the Pyramid text and its relation to the dead. After that, we are glad to accompany you to the Serapeum of Saqqara which was used in the past to worship the Apis bull. The Serapeum is only an underground passage that leads to the chambers where we found many sarcophagi buried there. Then, you will be amazed when you see the tombs of the Nobles which were built for royal and non-royal people in Saqqara like the workers, priests, officials, soldiers, vizirs, and princes.

Now it is the time to relax in the Nile while riding your felucca in the Nile river to feel warm and see an amazing view of the sunset, before going to have your delicious BBQ Lunch meal. Then, you can make shopping to buy souvenirs it is a nice memory that you will remember when you return to your country and remember Egypt. Then, you will be transferred to your destination.
