Itinerary

Amazing day to Luxor from Marsa Allam

When you are ready to visit Luxor's many historical sites, our representative will fly there after picking you up from your hotel in Marsa Alam in a modern, air-conditioned vehicle.

First, you will visit [Karnak temple in Luxor](#) is the biggest, one of the most significant temples in Egypt, and one of the biggest pharaonic kingdoms in Egypt. It offers a rich record of Egyptian civilization, spanning about 2000 years from the Middle Kingdom to the Ptolemaic era. One of the oldest locations in the entire nation of Egypt is the enormous temple complex known as Karnak.

The second point we will take you to is the Temple of Luxor, which is located on the eastern bank of the Luxor River (Thebes Ancient). It became a place of worship for Amun-Ra in 1400 BC, and his wife Mut built the [Luxor temple](#). The Egyptian temple makes it very clear that this is one of the most beautiful and well-preserved Egyptian temples.

After that, you will visit the [Museum of Luxor](#) is quite small in comparison to other Egyptian museums, but it is an excellent representation of the culture and history of ancient Theba. The exhibits in this museum include mummies, jewelry, sculptures, and military artifacts from ancient Egypt. The reconstruction of a wall from the temple of Karnak from the time of [Akhenaten](#), where you can see his own artistic style, is one of the most priceless items in the collection.

Finally, you will do the most things to do in Egypt is the sound and light show inside the majestic Karnak temple to attend this show and visit these great temples in one [Luxor excursion](#). Be astounded by the history and beauty of the Karnak Temple while watching the [Sound and Light Show in the Karnak temple](#). Anyone taking one of our Luxor day tours must check out the Sound and Light Show and the Karnak Temple, which is one of the biggest religious buildings ever constructed. Visitors have the chance to literally see the temple in a new light during the performance, which features vibrant lighting and authentic Egyptian music.

In the end, you will be returned back to Marsa Allam.
