Valley of kings by donkey in Luxor day tour

From the beginning of your day, you will meet our expert [Egypt tours](#) tour guide, and tour leader that will accompany you during your tour.

you will be taken by private AC wheels, to the spot:

The valley of kings:

In the valley of a dry river on the west bank of the ancient city of Thebes (modern Luxor), hence its name Valley of the Kings, but this name is not entirely accurate since some members of the royal family other than the kings were buried there, as well as some non-royals, though they were High-ranking. The Valley of the Kings is divided into the eastern and western valleys.

And during your visit, you will be transferring from one tomb to another and inside the valley of kings, on the back of a donkey.

Then at the end, you will be taken back again to your drop-off location.
