Day 1 - luxor east bank

We pick you up in an air-conditioned automobile at your accommodation in Port Ghalib and take you to Luxor. An experienced English-speaking Egyptologist who is more educated about Egyptian history will travel with you. When you go to Luxor, spend around three hours in [the Karnak temple](#) on the east bank, which is the grandest example of devotion ever made and honours the god Amon, his wife Mut, and their son Khonsu.

Visit the [Temple of Luxor](#) to continue your touring for the day. It was begun by [Amunhotep III](#) in the New Kingdom's 18th Dynasty and completed by Ramesses II in the 19th. After lunch on an island that includes a boat ride, we'll check you into your five-star hotel.

Then, as we continue our journey, we see this magnificent light and sound display in Karnak Temple, which is ideal for anybody interested in history or in learning more about ancient Egypt. The light display will captivate you as it describes the history of the Karnak Temple and how significant it was to ancient Egyptian society. The sound show is equally enthralling and offers an immersive experience that will make you want to return again and again.

You will spend the night at your hotel following the first day.

Day 2 - luxor west bank

On the second day, leave the hotel after breakfast and head to Luxor's west bank. Here you may see the famed [Colossi of Memnon](#), which formerly stood watch above the entrance to the Temple of Amenophis III. You then drive into the [Valley of the Kings](#). More than 70 graves have been carved out of the rock. You'll get to view three of the most beautiful funerals. The entrance to the tombs of Ramses VI and Tutankhamun requires a separate charge. Next, visit Hatshepsut's collection of terrace temples. After your Nile cruise, stop for lunch to refuel before departing Luxor and returning to Port Ghalib.
