Itinerary

Tour to Giza Pyramids and Camel Riding From Soma Bay

We will take you from the hotel in Soma Bay by cozy air-conditional cars to Giza and you will do the following

Reach the great pyramids of Giza the place consists of the Great Pyramid (also known as the Pyramid of Khufu or Cheops and constructed circa 2580-2560 BC), the much smaller Pyramid of Khafre located a few hundred meters to the southwest, and the relatively modest Pyramid of Menkaure a few hundreds of meters to the southwest. The Great Sphinx, it is located on the eastern side of the complex. Most Egyptologists today agree that the head of the Great Sphinx is the head of King Khafra. In addition to these main monuments, there are a number of small monuments affiliated with them, known as the pyramids of the “queens”, bridges and pyramids of the valley.

Then, you will be able to ride a camel which has been proven that has a great health outcome. the camel rocks and staggers in its walk more than other riding animals. Now physiotherapists in Germany are using the vibration of the camel with its rider to treat diseases of the nervous system and stroke and to teach some patients how to regain control of their balance.

And at the end, You will try the Quade bike riding It is considered one of the most interesting adventures in it. Where you can take the best memorial photos and enjoy the most interesting times. All activities are organized by specialized staff and guides who provide many tips and instructions that are necessary to maintain safety.

And we will drop you off to the hotel again in Soma Bay.
