Itinerary

Giza pyramids & National museum and Felucca ride from sokhna port

On the early morning of your trip, we will pick you up upon your arrival in an air-conditioned vehicle to transfer you to your destinations:

The most well-known and recognizable ancient structures in the entire globe; the [Giza pyramids](#) and the [Sphinx](#).

The pyramids were constructed at Giza, Egypt, as the tombs for three Pharaohs: Khufu, Khafre, and Menkaure. They are located on the west bank of the Nile River. Khafre is credited for building the Sphinx, a limestone figure with the body of a lion and the head of a human.

The Egyptians also knew, in addition to agriculture that relied on the waters of the Nile, fishing, so they invented boats as a means of hunting and transportation and recorded many water scenes on the walls of the tombs, in which Nile fish were placed to offer offerings from the deceased in the other world. you can discover more about [Egypt History](#) with us.

next, we will visit The [Egyptian museum](#) is one of the most popular tourist destinations in Egypt. It is located in Cairo and houses a large collection of ancient Egyptian artifacts. The museum is divided into two main sections: the Egyptian Antiquities Museum and the Arab Museum of Modern Art.

then we will transfer to have lunch at a local restaurant, after that, On the surface of the longest river in the world, the Nile, we will have a leisurely voyage on one of the classic felucca sailing boats while taking in the breathtaking views of Cairo during the day or at sunrise.

in the end, we will drop you off at Sokhna port.
