Itinerary

Cairo tower, and pyramids day tour from Alexandria.

In the early morning of your day trip, you will be picked up from Sokhna port to [The Giza Pyramids](#) area, where you will be fascinated by the construction of the Great Pyramid and the history of ancient Egypt that you will get to go deep into it with your professional guide.

Then you will move to [The Cairo tower](#): this big tall tower was built on the Loutas flower shape and it was on purpose by the engineer, as it means a lot to the ancient Egyptians.

this mysterious building has too many stories rumored about it, and the top one is that it is used for secret meetings of president Gamal and El-Nasser it is so high to make him see all of Cairo and it also was used to

spy on the \capital and most important places in Cairo. and you can join us in [Egypt Travel Packages](#) to see more interesting places.

then you will be taken to the end spot, your drop-off location, and our end of service.

Day meals: Lunch.
