Jeddah Desert Safari Day Tour

Your leader or driver will be holding a sign with your name on it. You don't have to search for them, they will be waiting for you and will come find you.

During your tour, your tour leader will give you their complete attention. While you're in the car, they will talk to you about everything you see along the way and other exciting parts of your tour that you will find interesting. Also, you can ride a quad bike and explore the desert. What makes this tour special is that the journey to the desert is just as exciting as riding the quad bike.

Visit a Bedouin-style camp in the sands. After Arabian tea and coffee, enjoy a range of activities, including rock climbing, Hiking, Quad Bikes, and more. You will get to walk on the sand, look at the stars, and sit around a fire drinking Arabic coffee in the desert.

After exploring the Desert and all it has to offer, we can help you get back to your hotel comfortably. If you want to see, taste, or buy more things in the city, just tell us what you like and we'll plan it for you.
