You can also attempt the [Egypt Desert Safari Tours](#) where you will be familiar with Siwa Oasis and other captivating attractions of the Egyptian desert for five days. Siwa without a question is thought to be the most exotic of all the oases; it seems to have a lot for a desert tourist and admirer to view. This place is for each person who would like to travel to the forbidden Sahara and for the fans of Egyptian wildlife.

Listen to the call and set yourself to the most exciting off-road [Egypt Tours](#). Siwa has its entry from Cairo and normally when approaching Siwa you come across with different terrains. The most famous attraction near Siwa Oasis is Shali Fortress – a fortress that was built in the 13th century. The second major attraction is the Temple of the Oracle, which can be regarded as one of the oldest and enigmatic, and the city called Melted Kavala. These will be the sites that will be associated with other similar sites which are replicas of various archaeological monuments of Greece such as Thessaloniki and Vergina, and these places add profound insight into how the region has been historically and culturally significant.

[Egypt Travel packages](#) that we offer in our Egypt family travel packages are well chosen for relaxed vacations in Egypt. There is therefore the [Egypt Luxury Tours](#) that covers for clients who wish to have a longer touring experience of the Egyptian history and civilization, but at the same time, they do not want to compromise on the quality of the hotels. The beauty of the desert at night is exceptional with dunes being magnificent and historical sites which do not allow forms of lighting to overpower the natural lighting from stars. It is this type of tour that is quite interesting and would still be the best tour that any would-be visitor would ever wish to embark on in the deserts of Egypt.
