Day 2 : Pyramids Sightseeing Tour

Enjoy your delicious breakfast at your Cairo hotel. Our first stop will be at the Great Pyramid of King Cheops, which is the only surviving example of one of the Seven Wonders of the Ancient World. It was built over a 30-year period during the old kingdom's fourth dynasty 4500 years ago, followed by the Pyramids of King [Chephren](#) and the pyramid of their grandson Mycerinus. You will see the renowned Sphinx and [the Valley Temple](#) of King Chephren, but before we get to the [sphinx](#), we'll have enough time to ride camels among the Giza Pyramids (an optional activity) and take some challenging pictures with the aid of your guide.

You will then be taken to see the well-known Saqqara necropolis. Your private driver and guide will take you to Saqqara where you can see [the Step Pyramid](#) complex of King Djoser, additional royal pyramids inside, and the exquisitely decorated tombs of the nobility with numerous depictions of everyday life carved and painted on the walls.

Before heading to [Memphis](#), we will stop to have lunch in an oriental restaurant. Visit the museum of Memphis to see the gigantic alabaster sphinx and the statue of Ramses II as well as some of the items they found nearby.

Your private tour guide will accompany you to your hotel at the end of your excursions in Cairo.
