Day tour to Manial Palace from Cairo

Your day will start when our tour manager meets you at your hotel in Cairo. Then we will head towards Manial Palace in a modern, air-conditioned luxury vehicle. When you get there, you can walk around the different rooms and view several artifacts on display while learning the history of the Mamluk Sultanate at the same time. Manial Palace is a Moorish architectural marvel created by Prince Muhammad Ali at the latter end of the 19th century and is among the most recognized structures in Cairo. Located on an island within the Nile, it is well-known as a part of the restaurant as it contains a museum and a library. You are assured of

ideal locations for the right memories. After this, we will bring you back to the hotel.
