Day 01 Itinerary: Cairo to St Catherine Tour

Our knowledgeable Egyptologist guide will greet you in the morning and accompany you on a private tour with Cairo Top Tours, kicking off one of the most historically significant excursions from Cairo. Following in the footsteps of the Israelites during the biblical Exodus, you'll be transported by a modern vehicle from your hotel in Cairo. The journey to the amazing overnight destination of Mount Sinai is approximately 6 to 7 hours, taking you through the Ahmed Hamdi Tunnel in the Suez Governorate and under the Suez Canal.

Along the way, we'll make a stop for a toilet break, allowing you to stretch your legs, grab a refreshment, and take a brief respite. We'll also visit Moses' Wells, where, according to tradition, Moses split the rock to provide water for the Israelites. Your guide will discuss the probable routes the Israelites may have taken during the biblical Exodus when the sea parted for Moses and the Pharaoh (most likely Ramses II or Merenptah) drowned.

Upon arrival, we'll ensure a smooth check-in at your hotel in St. Catherine, where you can relax and enjoy the evening at your leisure. Dinner will be served at the hotel, after which you can prepare for the early morning ascent of Mount Sinai the following day.

Day 02 Itinerary: Climb Mount Sinai and visit St Catherine Monastery to Cairo

We'll start your day bright and early with a 1:00 AM pickup. Before heading out, the hotel will provide tea and coffee in the lobby to help you fuel up. From there, you'll be transferred to the starting point of your Mount Sinai ascent, accompanied by a local Bedouin guide. Get ready for an adventurous and spiritual journey as you climb the sacred mountain, following in the footsteps of countless hermits before you. Along the way, you'll find huts where you can purchase a hot beverage or rent a blanket if the weather turns chilly. As you reach the summit, you'll be rewarded with a breathtaking sunrise over the mountain.

After your descent, you'll return to the hotel for a well-deserved breakfast. Then, you'll meet your expert tour guide to explore the historical Monastery of Saint Catherine, the oldest Christian diocese in the world, dating back to the 6th century. Inside the monastery, you'll see the Burning Bush, surrounded by a chapel built by Queen Helena, mother of Emperor Constantine, as well as the Church of Transfiguration, constructed by Emperor Justinian.

The monastery also houses the second-largest Christian library in the world, after the Vatican's. Your guide will also show you the on-site mosque, which was never used, as it was not properly oriented towards the holy Kaaba in Mecca. Along the way, you'll stop to see the rock where the Israelites planted the golden calf, and the tomb of Aaron, the younger brother of Moses.

After this comprehensive tour, you'll be transferred back to Cairo, concluding your unforgettable overnight adventure at Mount Sinai.
