Dolphin House Tour in El Gouna

El Gouna snorkeling excursions are unforgettable experiences even on their own, let alone the fact that everyone gets a chance to swim with dolphins. It is one of the activities that people look forward to doing here the most because it is enjoyable to everyone regardless of age. There is no need to worry that you will not be able to do it; even people who have never snorkeled before will manage it. How to put on the equipment, how to get into the water will all be explained by the guides.

Since Dolphins are one of the most beautiful and adorable animals, it will be a great enjoyment for you as well as your family and children when it comes to playing with them and learning how to interact with such

cute creatures.

Dolphins sorting tour in El Gouna is offered to you as you are done with the preparations (hotel booking etc to indulge in water sports). You will also be provided pick up service from el gouna hotel and transfers to dolphin house. Firstly ensure that you are in swimming costume and wearing appropriate foot wear. Also do not forget the sunscreen and a hat for protection against the sun. After reaching at the Dolphin House, you will be required to enter in the building for check-in. There you will also find all the equipment needed – mask and snorkel fins, so you will be taken to the boat from which you will get prepared to enter the water and commence snorkelling excursion!

To experience the beauty of this animal, you will be taken into the depths of the waters of the red sea, where you will see dolphins swimming all around you playing with each other. And this is the most exciting adventure ever, at times, you might even manage to bring one for a close-up photograph!

And when your excursion is over, please return to your hotel or enjoy strolling around the town or add more beaches of El Gouna in your exploration!
