Sindbad submarine trip from Safaga port

An unusual adventure that Sindbad has to offer is a chance to plunge into the deep waters of the Red Sea. Enjoy the beauty and secrets of the [Red Sea](#) while aboard a Sindbad submarine. Appreciate the underwater flora and fauna hidden behind huge reefs for a fancy and cherished diving experience yet remain dry.

There is a chance to see aquatic life for fifty minutes at 72 feet (22 meters) deep. You would be able to observe the underwater life featuring fish, sharks, and their habitats with competent guidance. In addition, you learn a lot about marine life and social interactions. There will be towns that look like ours, and families will live together. All this can only be done on a Sindbad underwater cruise that leaves from the [Safaga port](#).
