Batinah Bash Tour

Join Cairo Top Tours for an unforgettable full-day exploration along the Batinah Expressway coast. We begin with an early morning pickup from your Muscat hotel, setting off westwards. Our first stop is the Seeb Fish Souq. Seeb, once a charming fishing village, has been absorbed into the bustling capital yet still offers a nostalgic glimpse into the past. This seaside market is a vibrant spot to learn about the history of Oman's coastal communities. Be sure to sample Mashakik, a local delicacy of grilled meat, fish, and squid, dipped in a spicy tamarind sauce.

As we continue, we'll journey through verdant date palm groves towards Nakhl. We'll pause briefly at the therapeutic hot springs of Ain Al Thowarah before reaching Nakhl Fort. Although currently undergoing renovations, Nakhl Fort remains an impressive sight. This ancient stronghold, dating back over 1500 years, is built seamlessly into the rocky landscape and is surrounded by an oasis of palm trees. It once housed a mosque, a museum, and residential quarters, and is a remarkable example of Omani architecture.

Next, we travel to the enchanting village of Wakan, situated high in the Western Hajar Mountains at 2,000 meters. Wakan is renowned for its terraced fields and stunning mountain vistas. Our experienced drivers will expertly navigate the steep, narrow dirt road to the village, ensuring a safe ascent. From Wakan's lookout point, you'll be treated to breathtaking views of the mountains above and the Wadi Mistal below, as well as the opportunity to explore the lush green farms.

Our journey culminates at Wadi Abhyad, known as the "white valley" due to the striking white sediment deposits in its freshwater pools. This tranquil Wadi offers a serene retreat where you can absorb the natural beauty of the area. After a day filled with scenic beauty and cultural insights, we'll return you to your Muscat hotel.
