Itinerary

Giza Pyramids Half Day Tour including Camel Ride

Start your half-day tour of the Giza Pyramids with an exciting camel ride as you meet your expert tour guide from Cairo Top Tours in the morning. This is one of our most popular Cairo trips, taking you to the legendary Giza Necropolis. Here, you will witness the only surviving wonder of the ancient world—the Great Pyramid of King Cheops, the Pyramid of Chephren, and the smaller Pyramid of Mycerinus. Your guide will share fascinating insights into ancient Egyptian history and religion, helping you connect with the mysteries of the past.

You'll also visit the awe-inspiring Great Sphinx, an iconic symbol with the head of a man, representing wisdom, and the body of a lion, symbolizing strength and power.

Continue your Giza Pyramids Tour with a visit to the Valley Temple of King Chephren, where the king's body was prepared for mummification. The temple offers fantastic views of the Sphinx, making it the perfect backdrop for your photos. To add to the experience, enjoy a camel ride around the pyramids, giving you a unique perspective on these ancient monuments and the surrounding desert landscape.

After an unforgettable day exploring the Giza Pyramids, you'll be transferred back to your hotel in Cairo or Giza. For those with a layover, we offer the option to enjoy this tour as part of our Day Tours from Cairo Airport.
