Our tour guide will be awaiting you at the Safaga Port, where we shall pick you up with a modern air-conditioned luxury vehicle. First, we will visit [Dendara temple](#), one of the most famous and well-preserved temples in Egypt. It is about 60 km north of Luxor on the west bank of the Nile. The temple was built by Pharaoh Ramses II in the 19th century BC. It was dedicated to the goddess Hathor, the consort of the sun god Ra. The temple complex includes a large number of buildings-a temple, a chapel, a palace, and a tomb. Then we drive to [Abydos temple](#), another famous temple in Egypt. The temple is situated in the town of Abydos, approximately 100 km (60 miles) north of Luxor. The temple was erected by Pharaoh Ramses II (also known as Ramses the Great) during the early 12th century BC. It was dedicated to Osiris, the god of the underworld. The temple was built on a colossal scale, with massive statues of [Ramses II](#) and Osiris. It was among the most magnificent temples of its era. Then, finally, we'll bring you back to Luxor for lunch and then to check into a 5-star hotel for an overnight stay.
