Egyptian Museum & Quad bike tour from Sokhna Port

Our representative will greet you in front of the port when you arrive at Sokhna Port so you can begin your Cairo tours.

Enjoy the Pyramids of Mykerinus, Cheops, and Chephren. You will enjoy your tour on a quad bike after stopping at the Valley Temple, which is a portion of [the Pyramids of Chephren](#), and then continue on to the [Great Sphinx](#), a pharaoh with a lion's body and a head from Kephren's reign. The buggy tour is by far the

most fascinating way to discover Egypt's ancient treasures. Lunch will be served at a local restaurant.

We gonna proceed to the Egyptian Museum. Any vacation to Cairo must include a visit to the Egyptian Museum in Tahrir Square. The museum is the world's first purpose-built museum structure. It has the world's greatest collection of artefacts, most of which are from the Pharaonic period, and is spread across two floors and many rooms. The prehistoric and Roman eras are represented in these artefacts.

This includes the offerings of [the great king Tutankhamun](#), one of the eighteenth Egyptian pharaohs in ancient Egypt's history, who was renowned for his unmatched items crafted from pure gold, which alludes to the tremendous splendour of his century.

At Sokhna Port, we're gonna finally drop you off back at your cruise ship.
