From Sokhna Port, your journey takes flight as the tour leader, a fine specimen of professionalism, will meet and greet you and then drive you in a very modern air-conditioned vehicle, which marks the beginning of an extremely smooth and memorable shore excursion in Egypt.

One of the world's delightful Egyptian sights and monuments, the [Pyramids of Giza](#), will come first on your

agenda. Walk into awe inspired by the Great Pyramid of Khufu—the only remaining Wonder of the Ancient World—as you view the pyramids of Chephren and Mykerinus, also witnessing the Great Sphinx and walking past the [Valley Temple](#) where Egyptian rites were carried out during ancient times.

After such sights, you will have an Egyptian lunch at one of the better local restaurants, exuding grilled dishes, fresh salads, and refreshing soft drinks. A great option for Egyptian culinary experience during your Egypt tour.

Then, move to the ancient necropolis of Saqqara to view the [Step Pyramid of Djoser](#), a revolutionary building and the first stone structure in the world. You will also explore the Pyramid of Teti from the Sixth Dynasty and the Tombs of the Nobles, whose wall carvings and vivid colors relate much of the culture and day-to-day life of ancient Egypt.

As your Sokhna shore excursion concludes, your tour leader will ensure a smooth return to your cruise ship—leaving you with lasting memories and a deeper connection to Egypt's incredible past.
