Itinerary

Batinah Bash Tour

Embark on a full-day adventure along the Batinah Expressway coast with Cairo Top Tours. Your journey begins with a convenient pickup from your hotel in Muscat early in the morning. We'll head west, starting our exploration at the Seeb Fish Souk. Once a quaint fishing village, Seeb now blends into the capital but still retains its traditional charm. At the picturesque seaside market, you can immerse yourself in the rich history of Oman's coastal villages. Don't miss trying the local specialty, Mashakik, a savory grilled treat of meat, fish, and squid served with a spicy tamarind sauce.

Our next destination is Nakhl, where we'll pass through lush date palm groves. We'll make a quick stop at the soothing hot springs of Ain Al Thowarah before continuing to Nakhl Fort. Although the fort is currently closed for renovations, it remains a stunning photo opportunity. This ancient fortress, over 1500 years old, is nestled among palm trees and built directly into the rocky terrain. It features a mosque, museum, and residential areas, offering a fascinating glimpse into the past.

We then ascend to the mountain village of Wakan, perched at 2,000 meters in the Western Hajar Mountains. Known for its terraced gardens, Wakan provides stunning views of the surrounding peaks and the Wadi Mistal below. Our skilled drivers will navigate the narrow, steep dirt road leading to the village, ensuring a safe and comfortable journey. Once there, you can enjoy the panoramic views and explore the vibrant green farms.

Our final stop is Wadi Abhyad, aptly named the "white valley" due to its distinctive white sediment pools. This serene Wadi is a perfect place to soak in the natural beauty and tranquility. After a day filled with exploration and discovery, we'll return you to your hotel in Muscat.
